Dear Exchange Partners,

We appreciate your continued support of and partnership with our educational and research activities.

During this time of uncertainty, we regret to inform you that the University of Shizuoka has made the difficult decision to suspend all international exchange programs, for students both inbound and outbound, for the Fall 2020 Semester due to the COVID-19 outbreak. We hope you understand this decision was made for the safety and well-being of your and our students. We sincerely apologize for any inconvenience this may cause.

We will do our best to coordinate further arrangements with regard to our exchange programs, including the possibility of offering some of our courses online. If you have any questions or concerns, and information regarding your online course offerings, please do not hesitate to contact our International Affairs Center.

Sincerely yours,

Akihiro Okumura
